Subject: CDP8. Development plan

Good afternoon

My name is Marcia Jones, Ballycuneen House, Newmarket on fergus Co Clare.

I would like to object this Objective (CDP8.15) in the current Clare County Development Plan which is in place up to 2023.

At the moment there is a review to prepare a new plan for the period 2022-2028.

Land at Ballycuneen is affected due to this. I would like for the plan of the train to be evoked.

From a conservation point our listed out houses (1803) can not be restored as a result of no sale of lands to fund this due to the county clare development plan.

I await your response

Kind regards

Marcia Jones
