Subject: DEVELOPMENT PLAN REVIEW

Dear sir/madam,

I am a resident of west Clare and wish to voice my opposition to the proposed wind turbines here (Miltown Malbay area). Our rural environment needs to be protected and I don't believe that these turbines are appropriate for the area. They are too big and too noisy and I believe that they would be a blot on the landscape. My children attend school very near the proposed site (Moy N.S.), and we all enjoy the peace and quiet and unspoilt countryside there.

While I support renewable energy in principle, these proposed enormous turbines would substantially damage the quality of life of the residents. I hope that my opinion will be considered in any decisions that are made.

Yours faithfully,

Meabh Healy
